

GERMANS 50 MILES FROM STALINGRAD

ARCHITECT FOR HOSPITAL GETS COUNCIL OKAY

To File Application for Federal Funds Soon; More Parking Meters Ordered.

By next week Marion's application for a federal grant to construct and equip a temporary addition to City hospital should be in the hands of the federal works administration in Chicago. It was announced last night when city council, in regular session, approved an agreement for the hospital building commission to enter into a contract with the firm of T. D. McLaughlin & Associates, Lima architects, to serve as architects on the project.

Mayor Russell C. Snare in the council session, presiding, said he was sure by next week Mr. McLaughlin would have prepared the final papers for the application and that they would be ready to present to the federal office in Chicago.

Other Council Action
Following is a summary of additional action at last night's three-hour session:

Deferred action on a proposed sewer rental fee; approved installing of two-hour parking meters on East Church street between State and Prospect street and on Oak street from Center north to the first alley.

Approved 10-minute parking day and night on State street from Church street to the first alley south and on Church street between State street and 185 feet east of the State-Church intersection.

Approved transferring former school traffic lights to full-time traffic signals.

Approved installation of a water main on Fairground street.

Asked that the city engineer make a report on the boundary line of Pleasant street east from South State street.

Asked that attention of the mayor and service director be called to the fact that money appropriated two months ago for the purchase of a new police cruiser has not yet been used.

Tabled action on an ordinance to issue notes in the amount of \$12,000 in anticipation of bonds for poor relief.

Tabled action on appropriations from the hospital and garbage department funds.

Architect Contract
The agreement to enter into a contract with the McLaughlin firm of architects, which is the final step clearing the way for formal application for a federal grant for the hospital addition, includes a provision that Charles O'Brien of Marion is to be considered as one of the "associates" in the firm, and these two sections:

1. That the architect agrees to prepare for the hospital building commission all necessary preliminary studies, estimates, architectural sections of federal application blanks, working drawings, specifications, architectural supervision, etc., as prescribed in the standard form of agreement of the American Institute of Architects, known as "agreement between owner and architect," the contract to conform with all government regulations, and that for the total architectural services the architect is to receive six percent of the cost of construction work.

2. That the building commission agrees, upon completion and approval of all advisory architectural services and upon availability of funds, to enter into a contract with the architect for total architectural services, including studies, working drawings, specifications, architectural supervision, etc., as prescribed in the standard form of agreement of the American Institute of Architects, known as "agreement between owner and architect," the contract to conform with all government regulations, and that for the total architectural services the architect is to receive six percent of the cost of construction work.

At a special session last week council passed emergency legislation authorizing the hospital building commission to apply for a federal grant to remodel the present hospital, erect and equip

QUEEN'S KIN VISITS

Brother of Queen Elizabeth of Great Britain, the Rt. Hon. David Bowes-Lyon, here in World War I, is shown in New York after arrival for a visit.

NAZI SUB TOLL REACHES 400

More Than 2,000 Seamen Die in U-Boat Attacks on Coast Shipping.

By The Associated Press
The toll of merchant shipping sunk by enemy submarines on the very doorstep of the Americas has topped the 400-mark and the western Atlantic has become the grave of more than 2,000 seamen and passengers since Pearl Harbor.

Figures tabulated by The Associated Press yesterday, as the anniversary of reported wartime sinkings in those waters reached 401, showed that at least 1,620 more crewmen or passengers were missing after attacks by the unscrupulous raucers, while 1,700 persons have been rescued.

For the 400th acknowledged victim, a U-boat chose the smallest fry in the 234 days of their prevailing on allied or neutral shipping of American shores—a 16-ton oil boat just out of Havana. The sub's crew, apparently running out of rations, helped itself to 40,000 pounds of onions, canned goods and a quantity of Diesel oil from the vessel.

Later yesterday the Mexican government announced the sinking Sunday morning in the Gulf of Mexico of the Mexican freighter Oaxaca, for the fifth Mexican victim of the war and the 401st on the grand total of allied or neutral ships destroyed.

With the deadly axis submarines destroying ships at a rate of nearly two a day, more than 60 American shipyards were employing 750,000 men and expect to have 2,000,000 men and 700 smaller craft by the end of next year.

SOLDIERS' SENDOFF SET FOR THURSDAY

Public Invited to Program at Union Station.

Men of Marion city and county who were inducted into army service recently will be given a send-off Thursday afternoon when they entrain for camp. All patriotic organizations and the public are invited to take part in the "send-off" which will be sponsored by Marion Camp No. 32, United Spanish War veterans.

There will be a musical program by the Harding High school band under the direction of Homer E. Huffman, supervisor of instrumental music in the city schools. The Spanish War veterans will assemble at the Union station at 2:15.

Mr. Huffman is asking the band members to be at the Central Junior high school at 1:45 p. m. The members are to be in summer uniform which is the regular uniform without coats.

Army Bomber Crashes Near Indian Lake

By The Associated Press
SPRINGFIELD, O., July 28—Six crewmen of a twin-engine army bomber stayed with their ship after it developed motor trouble on a routine flight from Minneapolis last night and all escaped injury in a crash landing four miles west of Lakeview, Indian lake.

MARION RENT BOARD HOLDS FIRST HEARING

Four Cases Presented; Eviction Disputes To Be Left to Municipal Court.

Marion's new rent control board, at its first public hearing last night in the common pleas courtroom, disposed of four cases and laid down the policy that will guide the board in its future weekly hearings.

The board made rent recommendations in two cases, in both instances roughly splitting the difference between the figures advanced by the landlord and the renter.

The board definitely washed its hands of Marion's most troublesome rent problem—evictions. For a variety of reasons, landlords in many instances are trying to get renters out of their houses. Some say they want to use the houses for themselves, some renters charge the landlords merely want to get them out so they can rent the house at a higher figure to someone else, and in some cases people who have just bought houses are having trouble getting the renters out of them because the renters can't find any place to go.

The board, in a statement by its chairman, Judge Hector S. Young, said it will not enter into any of these questions. Whether a landlord's order for a renter to move is bona fide or justified is a matter for the municipal court to decide, he declared. The rent board will deal only with the question of rentals.

First Case
The first case heard involved questions both of eviction and rent and concerned a Forest street house. The complaint was filed by the landlord who declared he wanted the renter evicted because he wanted to remodel the house and move into it himself.

He said he bought the house April 1 and asked the renter to leave, but consented to the renter remaining until school was out. The renter, in his statement to the board, said the landlord raised the rent from \$15 a month to \$10 a week or \$40 a month as of May 1 and that he thought the increase unreasonable. The owner answered that he had paid \$2,900 for the house and already had spent nearly \$200 on it, and "besides I don't want to rent it to him—I want the house for myself. The \$10 a week rental was just to apply until he found another place." He added he didn't even want to continue renting it at \$10 a week. After a discussion among board members, the board recommended that the rent be fixed at \$27.50 a month and that the question of whether the landlord's desire to get the place for his own use be left to the municipal court, where an eviction case had been filed by the landlord. Judge Young commented that the board would look upon any "subterfuge" with extreme disfavor, such as the possibility a landlord might ask possession of the house for his own use but would later rent it to someone else instead of moving into it himself.

James E. Reed, one of the Marion County Bar association attorneys helping the board, said the municipal court had already decided on the eviction question, denying the landlord's request for possession of the house.

Eviction Question
The second case involved a house in Bellaire Gardens, north of Marion, and the owner said he wanted the renter evicted because he wasn't paying his rent. The five-room house, furnished, is rented for \$30 a month. The renter did not appear at the hearing.

(Turn to RENT, Page 3)

3,500 PHONOGRAPH RECORDS COLLECTED

Marion Legion Post Pushes on Toward 8,700 Goal.

Thirty-five hundred phonograph records have been collected in Marion by the Bird-McGinnis Post No. 162 of the American Legion, according to a count made last night. Marion's goal in the campaign is 8,700 records.

R. A. Todd, acting adjutant of the post and campaign chairman, stressed the point that there are possibly 15,000 records available in attics or on shelves in the city that people could donate to the drive.

"If people will just pile their records on front porches, trucks will pick them up," he stated. "There are also barrels at the theaters where records may be left. A barrel will be brought in from LaRue Saturday night."

Mr. Todd said he has had reports from some camps where the records have been received. Under-equipped foreign camps as well as those at home are to receive the records.

PASTOR GOES ON TRIAL

HARTFORD, CONN., July 28—Rev. Kurt E. B. Mohr, 47, colorful pastor of the Zion Lutheran church in Philadelphia, went on trial today in federal court on a charge of violating the 1917 espionage act. A former officer in the German army who won the Iron Cross in World War I, federal bureau of investigation agents charged that Mohr had used his personage as a "post office" for a Nazi spy ring.

FIVE KILLED IN BLAST

By The Associated Press
PADUCAH, Ky., July 28—Five men were killed and a sixth was injured seriously today in an explosion which ripped apart an empty gasoline barge in channel docks of the Ayres & Long shipyard on the Ohio side of the Ohio river here.

Carnival "Fire Eater" Burned

Spectators Think It's Part of Act When Shirt Catches Fire During Marion Performance.

Sidney Brown, who gave his home as Rochester, N. Y., and was working as "fire-eater" with the Keystone carnival showing here, suffered first-degree burns last night as a result of a mishap.

During the process of stunting before a group of spectators, he spilled gasoline on his shirt and it ignited. He immediately jumped from the platform on which he was standing and rolled on the ground in an effort to extinguish the flames, which had become sufficiently powerful to burn the surrounding grass. Spectators made no move to assist because they

thought it was merely part of the act.

After the flames had been extinguished through his own efforts, it was found that his face, hair, hands and chest had been burned. He was taken to City hospital by employees of the carnival. His condition was reported as good this morning.

Brown had been with the Keystone carnival since early in July and previous to that time had traveled with other carnivals. His wife is featured as an "alligator woman" of the Keystone group. Members of the troupe said that he had been featured by Ripley as the "painless man" at one time.

Payment for Land at Ordnance Plant Site Begun by U. S.

First payments by the United States government for approximately 12,000 acres of land acquired in the Scioto Ordnance Plant site were made today at the land acquisition office on North State street.

The payments, covering 90 options on land, the price of which was agreed to by the owners, will be made at the rate of 20 to 25 a week when the action gets under way. Maurice A. Niehaus, closing attorney from the office of the division of engineering in Cincinnati, said:

"First payment was made to Millard F. Foss and his wife, Laura Monnett, Foss of Highland county. The amount, \$8,248, was for 90 acres in Marion township. The deed was filed in the Marion county recorder's office at 11:20 a. m."

More Payments Scheduled
Three other payments were scheduled for today, to John C. Seckel and Charlotte E. Foss, to Emma E. Lauer and Mabel C. Philbrook, and to Ray E. Harvey.

Edward J. Russo, attorney and project manager, said that the amounts paid would not be made public by the land acquisition office.

Seventeen payments are scheduled for this week. Both Mr. Niehaus and Mr. Russo emphasized today that all persons entitled to payments will be notified officially as to the date and hour they are to be at the land acquisition office. Until owners of land in the area are officially notified they are asked not to appear for payment.

Mr. Russo said the main part of the payments probably would be made in the next three or four weeks. In a few cases there is minor curative work to be done.

(Turn to PAYMENT, Page 5)

CRASH WRECKS HUGE BRIDGE

Delaware Co. Structure Beyond Repair After Collision; Loss Set at \$15,000.

Traffic over a 100-foot one-lane steel girder bridge across Mill Creek on U. S. Route 42 at Bellepoint, five miles southwest of Delaware, was rerouted this morning following an accident at 3:35 a. m. involving trucks owned by J. C. BeVier of Buffalo, N. Y., and Howard McCune of Akron.

In addition to the state patrol account of the accident, Frank Higley of Delaware, assistant state highway department division engineer, told The Associated Press that the bridge, with part of its floor caved in, could not be repaired. The patrol reported estimated damage at \$15,000.

Driver Cited
McCune was cited into Justice James Dunlap's court at Dunlap Corners south of Bellepoint for a hearing Saturday at 3 p. m. on a charge of reckless operation of a motor vehicle.

According to the Marion patrol station report both trucks were traveling north on Route 42. The BeVier truck, under contract to the Liberty Motor Freight Co., and operated by Homer Bishop, 27, of Cleveland, was a large tractor trailer, fully loaded, and the McCune truck, was a dump model loaded with wire mesh camouflage materials for the war department.

The dump truck passed the heavy truck coming down a hill and got across the bridge, but sidwiped the heavy truck and threw it off balance. When the big truck reached the bridge it slid along the side rail for a distance before it struck and bent a heavy steel girder and broke off a number of steel stanchions.

The impact sprung the bridge, the roadway dropped down about an inch and the structure was moved several inches from one end of its foundation, the patrol reported.

The cab was demolished but the driver escaped with a lacerated eye and a lacerated right forearm.

One fender of the dump truck was damaged. The Shively wrecker and the state highway department wrecker were called to move the truck off the bridge.

Today traffic is being detoured over Delaware county roads from a point three-quarters of a mile north of Bellepoint.

MARION MAN HURT IN IBERIA CRASH

Carl McGinnis in Gallion Hospital After Mishap.

Sidwiping of two cars on a bridge half a mile west of Iberia on Route 30-5 at 11:10 last night sent Carl McGinnis, 24, of 749 Silver street, to Gallion City hospital for treatment of a badly mangled left arm.

The state patrol this morning reported him to be in serious condition. No arrests were made in the accident, which involved a Belle Center Creamery Co. truck operated by Lloyd Dymart, 26, of Belle Center.

The two vehicles, the car traveling west and the truck going east, developed in the bridge, the patrol reported.

Damage to the truck was slight but the left side of the car was badly damaged.

NASH BROWNE IN VICTORY

By The Associated Press
VICTORY, July 28—Nash Browne, 25, of 1000 E. 1st street, was today in court on a charge of driving a motor vehicle without a license.

CIVILIANS GET FIRST LOOK AT WAACS

DES MOINES, Ia.—Civilians got their first look at members of the Women's Army Auxiliary Corps in uniform, when the women were allowed off the nearby Fort Des Moines training school grounds on several hours' leave—their first leave since training began. As small groups of WAACS walked in the Des Moines business district, civilians gave them polite glances or stared, or like this little girl beside three WAACS, looked in awe.

U.S. Raid On Tokyo Thrill for Interned Americans

One Plane Flew Directly Over Camp, Newsman Reports on Reaching African Port.

Yoshin Stelling and Joseph Dymally, Associated Press correspondents who tell of their experiences under Japanese internment, were at Hongkong and Tokyo, respectively, when Japan went to war with the United States. They are enroute from Japan with other interned Americans to Los Angeles, where they will be taken to the War Relocation Authority.

By JOSEPH DYMAN
Associated Press Correspondent

LOURENCO MARQUES, PORTUGUESE EAST AFRICA, July 21 (Delayed)—General Doolittle's raid on Japan provided the thrill of a lifetime for a group of Americans at an internment camp midway between Tokyo and Yokohama.

One of the U. S. planes flew directly over our camp.

"It was shortly after noon on April 18 that the big thrill came. We were having coffee and toast when the police rushed into our camp excitedly and told us to extinguish the fires because there was an air raid.

"We thought it was only a drill—even when we heard two tremendous explosions in the direction of the Kawasaki industrial area.

A few seconds later, however, we saw a large twin-motored plane flying very low. Bursts of anti-aircraft shells were streaking after it. The plane dropped down 200 feet to skim rooftops and escaped.

It flew overhead as a squadron of slow Japanese biplanes formed a ring for the American camp. But by that time this particular raid was far away.

"That evening the radio told us of raids on Kobe, Osaka, and Nagoya.

"Our guards were very excited, and later we heard that plane factories in Nagoya were badly damaged. Kawasaki likewise was hit, and 350 workers were reported killed there.

Three days later I noted a small item in the Japanese press, telling of a mass burial of Japanese marines at Yokohama.

Mrs. Theodore Walker, wife of a missionary, said her husband and several other missionaries saw the American flag wave to people on the ground in the Waacko area.

The night after the raid the prison camp again felt the planes overhead. The sound of the engines was heard in the distance. The camp was again alerted, and the guards were again on edge.

NAZIS CROSS LOWER DON AT MANY POINTS

Russians Admit Pressure Is Growing More Difficult To Meet.

By The Associated Press
Adolf Hitler's field headquarters asserted today that German troops, advancing within 50 miles of Stalingrad, had "reached or crossed the lower Don at all points" south of Kalach, and Soviet dispatches frankly conceded that it was the gravest moment of the entire war.

Kalach is on the east bank of the Don where it curves nearest to the Volga, 50 miles west of Stalingrad.

Red Star, the Russian army newspaper, declared ominously that the pressure was becoming "more and more difficult" to meet, while other Soviet newspapers hinted anew at a need for opening an allied second front in Europe.

The Russians acknowledged the fall of Rostov, described by the Germans as the "spigot of the Russian oil barrel," and also Novocherkassk, 20 miles north-east of Rostov.

London military quarters said the Nazis, throwing probably 625,000 troops into the assault, had been slowed somewhat after suffering heavy losses. These quarters said that the Russian armies were mostly intact but that German reserves were believed to be considerable.

On the north flank, in the bloody Voronezh sector, the Germans were described as "definitely on the defensive."

Report Don Crossed
Nazi military quarters asserted that German infantry and mechanized forces had swept across the Don river on a broad front east of Rostov and reached the Mancyh and Sal rivers at several points.

The Mancyh river forms an arc thrusting southeastward from Rostov-On-Don into the northern Caucasus, while the Sal stretches almost due eastward from Novocherkassk.

If true, the Nazi claim would indicate that Adolf Hitler's legions were racing headlong across the northern Caucasus toward Astrakhan, on the Caspian sea, and also turning southward into the Caucasus itself.

Soviet dispatches said Marshal Semyon Timoshenko's Red army, although forced to yield at Rostov and Novocherkassk, has beaten off a series of German attacks and mobilized infantry attacks at the big bend of the Don river before Stalingrad.

Soviet reports said thousands of Nazi dead littered the banks of the Don or floated seaward with the wreckage of pontoons smashed by Russian shells and bombs as the invaders attempted to force bridges across the river between Rostov and Stalingrad.

Rostov Loss Serious
A Russian newspaper stressed the gravity of the loss of Rostov, gateway to the caucasus oil treasures, and it was acknowledged the invaders were now half-way toward their goal of isolating the trans-Caucasus with its riches in oil, wheat, metals and timber. Pravda, the Communist party newspaper, pointedly declared the Germans had withdrawn 11 divisions from Rostov to effect a breakthrough in the city—wrecking Nazi defenses along the English channel invasion coast.

Simultaneously, the Berlin radio reflected German fears of an Allied invasion with the announcement that Field Marshal Gen. Karl Gerd Von Rundstedt had spent the past few days inspecting the extensive and deeply entrenched defenses on the western front of the French channel coast.

London military quarters, however, remained silent on the prospect for creating a second front in western Europe to relieve pressure on the direly threatened Russians.

In the battle of Egypt, superb fighting broke out between the British and the Axis armies, 75 miles west of Alexandria. Gen. Sir Claude J. E. Auchinleck's imperial armies lashed out at the Axis Sunday night.

British headquarters said heavy artillery duels thundered over the desert battlefield yesterday while RAF bombers and fighter-bombers attacked enemy positions at Tobruk, Benghazi and El Daba.

Front-line advisers said it was believed that Australian and South African troops, who had been holding positions at the northern sector of the 40-mile front, led the attack against Field Marshal Erwin Rommel's mechanized columns.

Italian field headquarters said the British repeated the assault on the "Trento" division and the "Trento" German light division yesterday but failed to gain

4-H Group To Go To Camp

Marion County To Send 19 to First Session at Camp Pittenger Near McCutchenville.

Members of Marion County 4-H clubs between the ages of 10 and 12 will attend the first session of Camp Pittenger, held at Camp Pittenger, near McCutchenville, on the Wyandot river, July 29 to August 6. Following this camping session will be a session August 2 to 6 for club members 13 years of age and over. Twenty-six from Marion County will attend this session. The camp staff will include extension agents from Marion, Crawford, Wyandot and Adams counties. Camp counselors will have previous training in swimming, instruction, games and planned recreation during the day and campfire each evening. Those planning to attend the camp are Donald Johnson, Jr. of Agostia; John Robertson, Harold Brocklebury, Robert Fisher, Paul Standberry, Paul Kottler, Ray Fetter and Donald Bultz of Caledonia; Robert Smith, David Cain, Jack Dennison, and Dan Schirmer of Green Camp; Bernard Lockridge and Amy Beut of Kirkpatrick; Lois Pangborn of Martel; Alma and Caroline Harold of Pleasant; and Ferdinand and Richard Lawrence of Marion township. Those who will attend the senior camp are Paul and Ruth

Granger of Agostia; Virginia Williams, Phyllis Longacre and Mary Reynolds of Caledonia; Gwen and Marvin Baers, Hazel and Genevieve Dobbins, Mary Ellen Hinamon, Damon Monnette, Ruby Lockridge, Marion Hord and Mary Wendorf of Kirkpatrick; Dorothy Sharrock of Martel; Jack Olsen of LaRue; Betsy Johnson, Rose Moloney and Phyllis Knickel of Prospect; and Donna Davis, Jean Thieken, Clara Mae Moyer, Irene Conklin, Louise Bender, Marjorie Wargowsky and Barbara Michel of Waldo.

Aug. 6 Is Final Date for Absent Voters' Ballots

Marion voters who won't be home to vote in the Aug. 11 primary were warned today by C. O. Ritzler, deputy clerk of the Marion county board of elections, that deadline for making application for absent voters' ballots is 9:30 p. m. Thursday, Aug. 6. Applications must be returned to the board by noon on Friday, Aug. 7. To date only 22 persons have expressed a desire to cast the absent voter's ballot, either by voting at the board office on the second floor at 134 1/2 East Center street or requesting that they be mailed ballots.

MARION: SOLDIER WRITES OF EXPERIENCES IN INDIA

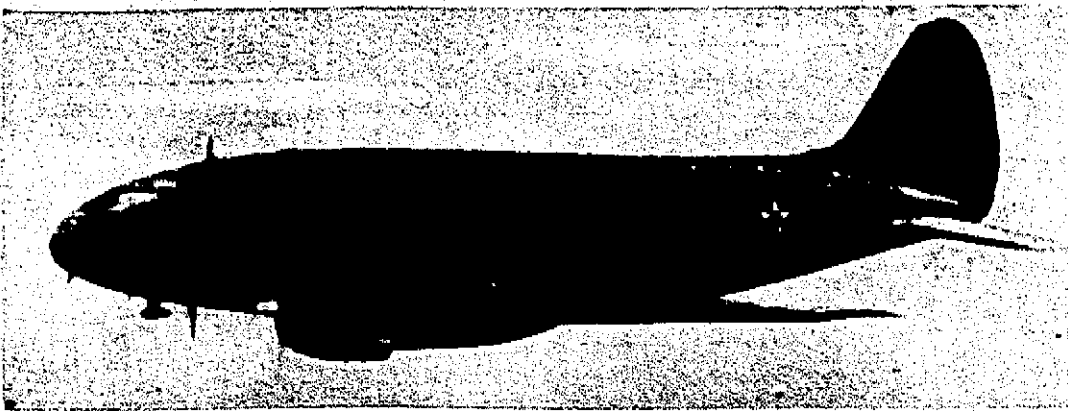

Tells of Tent Life with Mercury Ranging Around 115.

Mr. and Mrs. Carl Sifrit of 125 Superior street have received two letters from their son, Edward Sifrit, who is with the armed forces "somewhere in India." Private Sifrit, who is in the quartermaster corps, reported he is "all right" and working every day from 7:30 a. m. until 9:30 p. m. The men are housed in tents with one large building for general accommodations. With the thermometer hovering around 115 degrees, the men go with as little clothing as possible, wearing mostly khaki shorts, although Americans find it necessary to wear shirts. It has been windy for the last several weeks but there has been very little rain for three years. He has experienced several light monsoons and there was a heavy rain reported about 300 miles from where Sifrit is stationed. One of his recent experiences was the visit of a scorpion to the tent occupied by him and several of his buddies. Sifrit left in January, going first to Australia. His address has been changed, his parents state. Having the full address affords quicker delivery by as much as three weeks, their son says.

BUENYUS GIRL MARRIES

BUENYUS, July 28—The marriage of Miss Marjorie Ellen Blackburn, daughter of Mr. and Mrs. Donald Blackburn of Bucyrus and Pvt. Thomas H. Rodabaugh, son of Mr. and Mrs. Berley Rodabaugh of Mt. Blanchard, was announced today. The bride, a 1941 graduate of Bucyrus High school, has been employed at the General Electric company. Pvt. Rodabaugh is stationed at New River, N. C., with the military police in the U. S. Marines. He has returned to his station and Mrs. Rodabaugh will remain with her parents.

Flying Freight Fleets Seen for Army

The C-46, one of three main types of cargo plane now being built for the U. S. Army.

Squadrons of larger sky freighters, such as the "Mars" shown here, may be next step.

By JOHN GROVER

Wide World Features Writer

WASHINGTON — Sky-filling fleets of flying box-cars, totting whole armies and their supplies to the world fronts at 200 miles an hour are a just-around-the-corner development in the military picture. Henry J. Kaiser, the West Coast miracle builder, wasn't just talking through his hat when he proposed conversion of nine major shipyards to freight-plane plants turning out 360 seventy-ton cargo planes a month. The Army has announced construction of an Illinois plant to make planes of "two-boxcar" capacity. That's the way the wind's blowing.

of the air-freight program is strictly necessity's baby.

Military air freight is being flown right now. In the first five months of 1942, U. S. pilots flew 5,000,000 miles with supplies for Australia. The Chungking Ferry Command under Brig. Gen. Earl Naiden is in some measure taking the place of the lost Burma Road. Critical materials have been flown to Britain, Russia and the Near East.

Converted Airliners

The cargo planes now being used are largely converted commercial planes, some 200 of which were requisitioned from U. S. airlines. The bulk of them are 13-tonners.

gas and fewer war goods must be carried. About three tons of payload is a fair average of munitions per plane. The number of cargo planes in service now is secret. To get some idea of present capacity, let's arbitrarily assume 400 planes are carrying three tons apiece at 200 miles an hour. That figures to a maximum capacity of 5,760,000 ton-miles a day.

It sounds like a lot, but actually, it illustrates the chief handicap of the cargo planes available now. Those imaginary 400 planes could haul only as much as two Liberty ships, which carry 9,104 tons apiece about 312 miles a day. Thus each Liberty ship has a daily capacity of 2,853,552 ton-miles.

Emergency Is Now

The ultimate answer, of course, is bigger planes. The emergency is right now, however, and the Army Transport Command under Maj. Gen. Harold George couldn't wait for the big "dream planes" on the drafting boards.

Aeronautical engineers talk confidently of 200-ton and 500-ton planes. It takes several years of patient experiment, however, before a big new job can be built and flown. The biggest, successfully test-flown to date are the Army's B-10, an 82-ton landplane, and the 70-ton Navy seaplane, "Mars." The experimenting's been done on these; the "bugs" have been ironed out.

That's why Kaiser suggested building his proposed 5,000-plane cargo fleet on the Mars model. Even the most enthusiastic advocates of air freight don't contend that cargo planes will supersede surface vessels. It would take 82,000 70-tonners to equal the ton-mile capacity of the 2,300 cargo vessels we're scheduled to build in 1942-43.

But 5,000 cargo planes could quickly reinforce critical fronts, would minimize the terrific distances the United Nations must face in transporting men and material from the U. S. For instance, 5,000 cargo planes could move 75,000 tons of warstuffs or 625,000 men to Gen. Auchinleck in Egypt from our East Coast within a week.

The planes are submarine-proof. They wouldn't be flying within the range of enemy fighter planes. Chances of loss are infinitely smaller than in surface fleets. Not a single one of the armed cargo planes has been lost to enemy action on the Chungking run.

Construction Work Starts On Twenty New Houses in Marion

Mansfield Firm To Build 5-Room Dwellings, Scheduled for Completion Within Four Months.

Start of construction work on 20 new Marion houses was announced today by J. R. Cogen of Mansfield, owner of the Bert Construction Co. of that city.

Ten will be built in a group on Powhatan street and the other 10 at scattered locations on East Church street, Forest Lawn boulevard and South Grand avenue.

Those now under way are on Church street and Forest Lawn boulevard. The construction force, consisting of some key men from the construction company supplemented

by local workers, will grow until approximately 50 persons are employed, Mr. Cogen said.

It is planned to push construction on all 20 as rapidly as possible in the hope of having about half of them finished in three months, the rest in four months.

He said the houses will be of one-story frame construction and will be in the \$5,000 class, all to be built for sale rather than for rent. They will be five-room houses, although the dinette is smaller than the standard size; they will be known as "four and one-half room" houses.

All the houses are being built through FHA financing, and will be built to FHA standards, including double construction. The company in the past has centered its activities around Mansfield, having built 35 new houses there last year.

Caledonia Club Plans

Trip to Camp July 29

CALEDONIA, July 28 — Mrs. O. L. Hipsher entertained the Boys 4-H club Wednesday and Saturday. Plans were completed for the club to go to camp near McCutchenville July 29.

Church Circles Meet

at Mt. Victory Homes

Special to The Star
MT. VICTORY—Three of the five circles of the Women's Society of Christian Service met Thursday, Circle No. 1 with Mrs. Philip Battles, leader met with Mrs. James Black, Circle 4, Mrs. D. R. Sherman leader, met with Mrs. W. E. Reeder, for whom a handkerchief shower was given. She will leave soon for her new home in Pineville. Mrs. Pearl Smith was hostess to members of Circle 5, with Mrs. Clifton Elliott, leader.

Mrs. Harry Underwood assisted by Mrs. Mary Underwood and Mrs. Jessie Wellbourne of Cleveland entertained 23 guests at a personal shower for Mrs. Rowena Underwood at the Harry Underwood home.

The Caledonia Girls' Shining Star 4-H club met at the Caledonia school Friday. The girls worked on their projects. It was decided to have a mother's party at the school July 31. Refreshments were served by Daisy and Peggy Jey.

Is your child a NOSE PICKER?

It may be more than just a bad habit. It may be a sign of worms! Yearly crawling roundworms inside your child! Other visible signs are: Reddened, itchy, cracked, itching in certain parts. These bowel worms cause real trouble! If you even suspect a child has them, get JAYNE'S VERMIFUGE right away! JAYNE'S is America's leading proprietary worm medicine. It's scientifically tested and used by millions for over a century. It expels stubborn worms, acts very easily. If no worms are there, JAYNE'S would merely act as a mild laxative. Be sure you get JAYNE'S VERMIFUGE!

Travelers of MARION

HERE'S HOW YOU CAN HELP Keep 'em Rolling

In the face of increasing demands on railroad facilities due to the war, it is our earnest desire to maintain our customary high standards of passenger service for every one who must travel. And we feel we can do this to a very large extent—with your cooperation! Here are a few of the simple steps you can take to help us serve you better....

- Reserve rail tickets and Pullman space as early as possible.
- Take Pullman space available instead of waiting for preferred accommodations.
- Purchase round-trip tickets and save time and money.
- Whenever possible, plan your trip for early in the week or midweek when trains are less crowded.
- Take as little luggage as possible.
- Get full information about train schedules in advance.

Family Reunions

BECKEL

Fiftieth annual reunion of the Michael Beckel family was held Sunday at Garfield park. Officers were elected as follows: Fred Beckel, president; Albert Beckel of Cardington, vice president; Mrs. Victoria Thomas of Marion, secretary-treasurer. The 1945 reunion will be held at the same place the last Sunday in July.

REUL

GALLON—Marion was chosen for the next annual gathering of the Reul family at their fourteenth annual reunion Sunday at Jette park. Among the 51 relatives present in towns were represented by: Mrs. Chas. Reul, president; Mrs. Tiro, Youngstown, Richmond, Marion, Gallon, Blooming Green, Columbus, Ohio, vice president; Mrs. Leonard Reul of Delaware, Ohio, vice president; Roy Reul of Gallon, as vice president; and Thelma Reul of Richmond, as secretary-treasurer.

PETTER

GALLON—Nine towns were represented when the Petter family held their nineteenth annual reunion Sunday at Jette park. Relatives were present from Marion, Bucyrus, Shelby, Crestline, North Robinson, Tiro, Leesville, and Ashburn. Shelby, Ohio, was the host town for the past year. John Petter of Leesville, president; Will Petter of Gallon, vice president; and Mrs. P. H. Hogan, of North Robinson, secretary.

VENIGER

GALLON—When the Veniger family met Sunday at Jette Park for their fourteenth annual reunion 25 were present from Gallon, Sandusky, Greenwald and Bucyrus. Officers elected are Elmer Veniger of Gallon, president; and Elmer Patzer of Gallon, secretary-treasurer.

ADAMS

GALLON—It was decided to change the date of meeting to the third Sunday in July when members of the Adams family met for their fifteenth reunion. It was 50 years ago when the first reunion was held. The place was the scene of the reunion, and it will be held the same place next year. J. M. Adams of Gallon was elected president, and Fae Burr of Cardington, secretary-treasurer. These were also present at the picnic dinner.

SNYDER

GALLON—Frank Snyder of Gallon was elected president when the descendants of the Michael Anna Snyder family elected officers at their annual reunion Sunday at Jette park. Mrs. George S. Hill of Leesville was re-elected secretary-treasurer. The reunion will be held the last Sunday in July next year at the same place. Guests were present from Marion, Mansfield, Gallon, Lexington, Leesville, Butler and Columbus.

JAMES

GALLON—Fifty members of the James family met for their fourteenth annual reunion Sunday at Jette park with guests present from Gallon, Mansfield, Toledo, Bucyrus, Tiro, Cleveland, Mt. Vernon, Marion, Cardington, Darlington, and Shiloh. Harry Brown of Marion was elected president, and Cora James of Bucyrus, as vice president, and Mrs. David Bazar as secretary-treasurer.

AMICK-FATE

Fifty were present for the nineteenth gathering of the Amick and Fate families Sunday at Jette park. Guests were present from Gallon, Mansfield, Johnsonville, Caledonia, Lancaster, Marion, and Carlisle. The reunion will be held the same time at the same place. One Amick of Gallon was elected president. The wife of Gallon, secretary-treasurer.

CASIO

GALLON—A varied program was given when the members of the Casio family met Sunday at Jette park for their nineteenth annual reunion. Officers chosen included James Campbell of Leesville, president; and Velma Bower of Lexington, as secretary-treasurer. Towns represented were Gallon, Marion, Glend, Lexington, Blooming Grove, and Winchester. The reunion will be held the same time next year at Jette park.

DEES AT WHARTON

CAREY—Funeral services for Mrs. Lucinda McEvoy who died in Wharton Friday was conducted today in Wharton.

What You Buy With WAR BONDS

When the American Expeditionary Force landed in Ireland recently newspapers reported the citizenry remarked at the similarity of the steel helmets worn by our boys with those worn by German troops. These steel hats are protection from shrapnel fragments and other light missiles. We need thousands of them for they are a regular issue to every American soldier.

A smart strap fastens under the chin and they are padded for comfort. One steel helmet costs \$5 so every time you fill a \$5 stamp book you are buying protection for an American soldier. Invest at least ten percent of your income in War Bonds every pay day. Help your community reach its War Bond Quota.

COURT NEWS

Partition Sought

Amanda Narance has filed a petition in common pleas court against Charles D. Narance and others seeking partition of property in John H. Dwyer's Third addition in the city of Marion, alleging that she owns a half interest in property on which rents and profits have been taken with no accounting or distribution to the plaintiff. The plaintiff, represented by Donithen & Michel, asks that a receiver be appointed while the action is pending.

Seeks to Quiet Title

Hazel D. Donough has filed a petition in common pleas court against Mary Alice Donough and others to quiet title to property in the B. & O. railroad addition to Marion. Robert A. Kelly is attorney for the plaintiff.

Weddings

A wedding ceremony read at the Wesley Methodist church Sunday afternoon at 2 o'clock in marriage Mr. and Mrs. W. H. D. Smith of Toledo.

Dr. D. N. Kelly read the ceremony in the presence of the immediate family. Mr. and Mrs. W. H. D. Smith of Toledo and Mrs. W. H. D. Smith of Toledo.

The bride wore a navy blue dress and her carriage was of white and blue. Mrs. W. H. D. Smith of Toledo's dress was also of navy blue. Her accessories were white and navy blue. A shoulder corsage of pink roses.

Following the ceremony a dinner was served at Runge's Inn. After a short trip, the couple will be at home at 1225 Sylvia avenue, Toledo.

Out-of-town guests were Mr. and Mrs. Ralph Nichols of Toledo and Mr. and Mrs. Henry Fickel of Toledo.

Announcement is being made of the marriage of Miss Vivian Garver of Marion, daughter of Mr. William Miller of Detroit, and Robert Johnston, son of Earl Johnston of Delaware, which took place Sunday afternoon. The single ring ceremony was read shortly after 4 o'clock by Andrew G. Bassell, pastor of the Trinity Protestant assembly of the Assembly of God, Delaware, in his home at 142 West Winter street. They were attended by Mr. and Mrs. Paul Johnston, brother and sister-in-law of the bridegroom.

For her wedding the bride wore a street length dress of white shantung and her jewelry was a cross set with blue stones. Mrs. Johnston was dressed in a blue and white Hawaiian print shantung dress with blue accessories. The couple will make their home in Prospect street. Mr. Johnston is employed in defense work in Marion.

Personal Mention

Mr. and Mrs. John C. Wilson of 209 North Grand avenue and Mr. and Mrs. David Fleming of 235 North Grand avenue have returned from a visit with Mr. and Mrs. William L. Wilson of Coldwater, Mich., brother and sister-in-law of Mrs. Fleming and Mr. Wilson.

Mrs. Harry Keebaugh and sons and Mrs. Carl Keebaugh of Delaware were guests of their sister, Miss Naomi Wiseman here Friday.

ACTION TO ASSURE GAS SUPPLY TAKEN

WPB Provides Safeguard for
Marion and Vicinity.

Further assurance of an adequate supply of natural gas for Marion and other Ohio cities next winter was provided when the War Production Board today ordered the Ohio Fuel Gas Co. and the Panhandle Eastern Pipeline Co. to establish a connection permitting deliveries by Panhandle of "as much natural gas as it can make available," according to an Associated Press dispatch. Communities served by Ohio Fuel include Marion, Waldo, Prospect, Calcutta and nearby rural localities, Bucyrus, Upper Sandusky, Findlay, Columbus, Lima, Chillicothe, Ashland, Exira, Wilmington and other central Ohio cities.

Pipelines of the two firms join at the Indiana-Ohio state line between Muncie, Ind., and Dayton, O., and a connection could be effected simply by opening a valve, WPB said.

Presidents of both companies were asked to make priority applications and take other steps necessary to build about 14 miles of line for a second connection between the two systems near Perryburg, O.

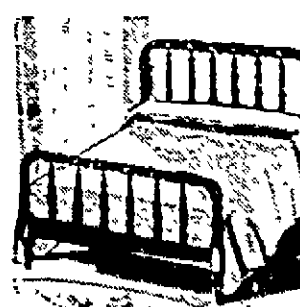

WPB emphasized that although there was no gas shortage in the area now, one might develop unless safeguarding steps were taken. Under the proposal, Panhandle gas could be delivered to Ohio Fuel this summer and fall for storage in wells.

PARTY AT GREEN CAMP

Mrs. Smith L. Sheppard of Green Camp entertained in honor of the tenth birthday anniversary of her daughter, Mary Ann, Sunday afternoon. Those present were Ethel Shimer, Marilyn Robbins, Bessie and Leatha Crowe, Faith, Froy and Barbara Earhart, Betty Longnecker, Charles Curran, Charles and Jeanne Ganson, David Harmon, Sandra Williams and Marjorie, Paul, Patty and Bill Sheppard.

Agencies is gradually replacing olive oil formerly imported from Spain and Italy with oil extracted from southern seeds of domestic production.

MISCONDUCT CHARGE IS HEARD BY COURT

Accused of Accepting "Gift" from Radio Singer.

By The Associated Press
SAN FRANCISCO, July 28.—Lieut. Commander Maurice N. Aroff's two letters asking the Beverly Hills draft board to defer actor-singer Tony Martin were government evidence today in the court martial of the naval procurement officer.

He faces charges of "scandalous conduct" and soliciting a fee for facilitating Martin's enlistment as a chief specialist in the naval reserve.

The first letter was introduced by Lieut. Commander Albert G. Berry Jr., Los Angeles district selective service coordinator and one of the first of a prospective 60 prosecution witnesses.

Written from 12th naval district headquarters here, to which Aroff was attached, it suggested to draft board 246 in Beverly Hills, Calif., that Martin's imminent induction into the army be deferred because his application for appointment in the naval reserve had been recommended.

The letter, dated last Oct. 24, was followed by another Dec. 12 stating Martin's first application had been disapproved at Washington but that the entertainer was being recommended by the 12th district as a boatswain's mate. This second missive, Berry testified, also bore Aroff's name.

The prosecution contends Aroff solicited the gift of a \$950 automobile from Martin "for a fee, compensation and reward."

Officers Selected By Iberia Sunday School

By The Associated Press
IBERIA, July 28.—Cloyd Rice was elected superintendent of the Iberia Methodist church Sunday school at the annual business session Sunday. Officers elected were: Elmer Leatham, assistant superintendent; Pauline Jones, assistant secretary; Mrs. Cloyd Rice, pianist; Marjorie Roesch, assistant pianist; Maxine Roesch, church pianist; Mrs. Elmore Burkhardt, assistant church pianist; Kenneth Grooms, church chorister; Elmer Leatham, assistant church chorister; Robert Wilson, Sunday school chorister; Dorothy Rorick, assistant Sunday school chorister; Ralph Rorick, treasurer; Mrs. Olive Garfield, home superintendent; Mrs. Kenneth Wilson, cradle roll superintendent; Robert Wilson, Virgil Irving, Dorothy Dallman and Pauline Jones, librarians; Herbert Burkhardt, Mrs. Tillie Roesch and Mrs. Silas Rinehart, advisory committee; Mrs. Cleo Selter, flower chairman; Mrs. Ed Selter and O. L. Zent, welcome committee.

Mr. and Mrs. Oscar Noe of 174 South Main street have received word of the birth of a son to their son and daughter-in-law, Private and Mrs. James Noe, Wednesday, July 22, in St. Vincent's hospital, Toledo. Private Noe is stationed with an army chemical company at Santa Monica, Calif.

CANTON STRIKE VOTED

By The Associated Press
CANTON, O., July 28.—Anthony Vetrone of Akron, field representative of the CIO State, County and Municipal Workers, reported today that 75 of 86 employees in the city water department here voted to strike unless four shop workers were restored to their jobs. Vetrone said they were dismissed for union activity but city officials cited work curtailment.

KILLS BIG RATTLER

By The United Press
RED BLUFF, Cal.—The grand father of all rattlesnakes was killed on the Greer ranch near here when it was run over by a power mower operated by William Mickie. The reptile had 16 rattles.

NAVY OFFICER TRIED AT COURT MARTIAL

Lieut. Comdr. Maurice N. Aroff (left), removed as naval procurement officer at San Francisco, went on trial before a general court martial in San Francisco on charges of accepting an automobile from Tony Martin (right), radio singer. This picture was made as Martin took his enlistment oath in San Francisco January 2.

U. S. Sub Commander Changes One Of The Old Rules of Under-Sea Fighting

He Blasts Three Enemy Destroyers When "Book" Says He Should Have Avoided Them.

This is the path of a series of two stories by Keith Wheeler, the Chicago Times correspondent on the Alaskan island. Wheeler was the first accredited correspondent to reach Alaska.

By KEITH WHEELER
(Copyright, 1942, Chicago Times, Inc.)

SOMEWHERE IN ALASKA, July 13—Delayed—There are no absolutes in war, the reason being that about the time a rule becomes well established some inspired idiot happens along and blows it out of the water.

Until July 4 it was axiomatic that submarines keep clear of destroyers.

But on Independence day an American sub skipper in these far-bound waters grew bored with the rules and blew up three Japanese destroyers in about as many minutes. Within a few hours other American subs finished off two more Jap destroyers and by now, one supposes, the Tokyo admirals are revising the rule book.

(The navy has since announced the sinking of three more Jap destroyers at Kiska by submarines.) Everybody in America and in Japan, too, probably knows the essential facts by now, but it was not until today that a few of the incredible details found their way out of the cold gray depths around lonely Kiska.

Commander Tells Story
The story came from the commander of submarines in the North Pacific.

"She has," he said, speaking of the three-for-one submarine, "added a glorious page to the record of the submarine service. This operation can be summed up as an opportunity made through the ingenuity, resourcefulness and aggressiveness of the command officer of the submarine."

Submarines don't report often and what reports they made are sketchy until they get home, which they do infrequently. Consequently it called for some imagination to fill in the rough outlines of what went on.

Certain things he knew and these he consented to discuss.

To begin the sub was on station in the Kiska area and proceeding under a general directive to seek out the enemy and destroy same. The enemy was known to be present with both heavy and light ships.

sewer rise out of the ocean and the destroyer ripped in two by the unsuspected fury of TNT. It went down like a rock.

The trio of destroyers was anchored in echelon and it didn't require much change of course to bring a tube to bear on the second. The first ship was still breaking when a tin fish erupted in the bowels of the second destroyer.

By that time the men on the third were giving a fair imitation of a madhouse.

Somewhere made an attempt to fight back at the unseen tormentor and two torpedoes rocketed from the tin can's deck tubes and went charging across the cove. They were wild shots and they missed.

And at about that moment the sub's third torpedo connected with the last destroyer and the fight was over.

The sub suffered no personnel casualties and was able to continue without serious hindrance.

WATCH YOUR SPEED

By The Associated Press
CLEVELAND, July 28.—Motorists, if you want new tires don't speed past office of price administration officials who drive 40 miles an hour or less. Brickett L. Williams, regional OPA administrator, reported that on a trip to West Virginia and Pennsylvania he observed numerous instances of tire-wasting speed by both trucks and private cars. Williams said, "fellows with the Ohio license plates seemed to be the worst offenders."

Jack Stephenson Is Elected by Fan Vote To All-Star Football Team

One of 75 Ex-College Stars To Face Chicago Bears Aug. 28.

By LOREN W. THRELL
Marion Star Sports Editor

JACK STEPHENSON, recognized one of Marion's greatest football stars, has been selected by 14,515 fans as one of 75 former college grid stars to oppose the Chicago Bears, champions of the National Professional Football League, in Soldier Field, Chicago, the night of Aug. 28.

Stephenson is the son of Dr. and Mrs. O. G. Stephenson of 458 South Vine street. An alumnus of the Ohio State university eleven, Jack led the Scarlet and Gray to a second-place tie with Michigan in the Big 10 standings.

In the final balloting Stephenson ranked fourth among 75 of the nation's top-flight players. An ex-All-American, Jim Dorell of Pittsburgh, Pa., polled 532,328 votes to finish at the top of the list of notable tackles. He will be one of the two starting tackles. Al Blevins, famed Georgetown giant from the balloting with 471,706 votes, automatically fills the other tackle spot in the starting line-up. Jack Graf, another 1941 Ohio State university football great, led the voting for the fullback berth with 302,304 votes. Graf was selected as the most valuable player in the Western Conference by the Chicago Tribune last season.

JACK STEPHENSON

Fisher Wins Spot
A fourth Ohio State star, Dick Fisher of Columbus and now enrolled in the navy's pre-flight school at Iowa City, Ia., finished fourth in a list of halfbacks which included several all-American nominees. He received 474,244 votes.

The poll to decide personnel of the college all-star squad was conducted by the Chicago Tribune and 200 associated newspapers and radio stations.

In a local poll Stephenson received 19,433 votes. Midwestern players dominate the all-star squad with 45 representatives. Twelve players were named from southern teams and the far west and the east each placed nine.

Dick Erditz, second string Northwestern quarterback, polled 562,642 votes to lead the individual all-star balloting. He received unusual support from his home state of Wisconsin, according to reports from Chicago today.

Burke Share Honors
Ohio State university is one of three midwestern schools to place two men in the starting line-up. Minnesota and Notre Dame each duplicated the trick.

Trend of the voting must be observed by the all-star coaching staff in preparing for the Aug. 28 game. Those leading their respective positions will form the starting line-up unless a player is unable to accept election to the squad or is physically unfit on the night of the game. In either event the player next in line in the national poll fills the vacancy.

Stephenson's election to the all-star squad clinches a dramatic football career. The youth who now is a chief petty officer stationed at Great Lakes, Ill., naval training station once captained a Marion Harding High school eleven. As a senior at Harding he won all-North Central Ohio laurels.

As a freshman at Ohio State university he was another "beefy" tackle and was given only 50-50 odds to make the varsity squad the following season. However, Francis Schmidt, then mentor at the Buckeye school, followed a long-established policy, giving the beefy talent—and Stephenson was beefy—every chance to earn a coveted varsity berth.

Stephenson's greatest break came midway in the 1939 season when injuries forced the regular tackles, Charlie Maag, to the sidelines. Stephenson started his first Ohio State game in the all-important Minnesota game. His work against the Gopher eleven was little less than spectacular. He was in the thick of the melee from the outset. By virtue of his stellar play, he earned a full-time spot in the Buck squad.

In 1940 he repeated his great work against Minnesota and when Minnesota was dropped from the Ohio State schedule in 1941, Stephenson lent his talents in a rousing 20-20 tie with the highly favored Michigan powerhouse which boasted Bob Westfall, one of the game's greatest fullbacks, and a bevy of other talented performers.

These three games, more than others, stand out in a brilliant football career. Here is the complete all-star squad:

ENDS—Mal Kutner, Texas, and Charles Ringer, Minnesota.
TACKLES—James Danielli, Ohio State, and Al Bozie George, Iowa.
CENTER—Vincent Banonis, Detroit.

QUARTER BACK—Dick Erditz, Northwestern.
HALF BACKS—Bruce Smith, Minnesota, and Steve Juzwik, Notre Dame.

FULL BACK—Jack Graf, Ohio State.
In addition to the starters, The Tribune has sent invitations to the following 64 players:

ENDS—John Kovatch, Notre Dame; Holt Rast, Alabama; Fred Meyer, Stanford; Bob Fitch, Minnesota; John Rokisky, Duquesne; Ray Kreick, Wisconsin; Henry Stanton, Arizona; Howard Keating, Detroit.

TACKLES—Al Bauman, Northwestern; Paul Lillis, Notre Dame; Jack Stephenson, Ohio State; Urban Odson, Minnesota; James Brutz, Notre Dame; Bob Reinhard, California; James Walker, Iowa; Al Santilli, Fordham; Ernest Blandin, Tulane; Clarence Hernold, Nebraska.

GUARDS—Ray Farnkowski, Washington; Len Levy, Minnesota; Tom Melton, Purdue; Bob Maddeck, Notre Dame; Helge Pukema, Minnesota; Larry Sartori, Fordham; Kenneth Ropesky, Stanford; Endicott Peabody, Harvard; William Fugate, Marquette; George Abel, Nebraska.

CENTERS—Vic Lindskog, Stanford; Harold Jenkins, Missouri; William Diehl, Iowa; Bob Gude, Vanderbilt; Bob Inghill, Michigan; Al Denno, Duquesne.

QUARTER BACKS—Don Kruger, Northwestern; Frank Albert, Stanford; Bob Hargrave, Notre Dame; Harry Lee, Missouri; Al Farris, Wisconsin; Levere Astorin, Illinois; Eddie Herbert, Indiana.

FULL BACKS—Bob Westfall, Michigan; Bob Swicker, Minnesota; Bill Green, Iowa; Don Clawson, Northwestern; Doug Renzel, Marquette; Pete Layden, Texas.

SOFTBALL

Coca-Cola Defeats Smith Clothing Co. To Hold Commercial Softball Lead

Coca-Cola maintained its first place position in the Commercial Softball League by defeating the Smith Clothing Co. team, 10-2, at Lorain park last night.

The loss snapped the clothingers' seven game winning streak. The winners opened with a 4-run blast in the first inning off Howard Gilbert, added twice in third and scored three more in the sixth inning. The losers scored twice in the second for their only work off Coca-Cola's pitcher, Gus Coca-Cola.

The War Department team capitalized on numerous infield errors by the Smith Hi-Y team combined with a nine-hit batting spree of their own to manufacture a 10-2 victory over the high school team at Garfield park.

Vermillion and Thorne blasted circuit clouts as Moose lodge downed the DeMolay team, 12-3, at Presidents field. Tony Caprino, on the mound for the victors, limited the DeMolay to three lone hits.

In the only other game Hunk-In-Conkey Construction Co. No. 1 fashioned a 19-3 win over the Waldo Independents at the Marion Steam Shovel diamond. Manager of the construction company team forfeited the contest and the game was played as an exhibition.

Nelson Victorious Over Heafner To Retain Rich Title

By The Associated Press
CHICAGO, July 28.—Byron Nelson, one of the greatest of modern linksmen, was homeward bound today with \$2,500, once again having demonstrated that when the big money is on the line he is virtually unbeatable.

The demonstration came as the grand finale to that golfing circus known as the Tam O'Shanter \$15,000 open tournament.

Yesterday Nelson crushed his Clayton Heafner of Durham, N. C., by four strokes in their 18-hole playoff for the championship of the dizzied of all golf events.

The pair had tied at the end of the regular 72 holes, with totals of 280.

As though to atone for his unaccountable lapse of the previous day, when he scored to an inconclusive 77 on the fourth round, the ex-Texas looper Tam O'Shanter, sooty across apart with a 67-five under par—to send Heafner down for the count.

Not that Heafner weakened. The big fellow stayed in there gamely all the way to score his 71.

Carey Young People's Class Elects Officers
Special to The Star

CAREY—The young people's class of Carey Methodist church met at the parsonage and elected the following officers: president, Nadine Gibson; vice president, Miss Phyllis Ulrich; worship and evangelism chairman, Eugene Ulrich; world friendship chairman, Jane Twining; and Miss Ruth Heck community service chairman. Morris Sonder and Barbara Kitzler recreation chairman. Jacqueline Mapes and Jean Summerfield secretary. Norma Jean Gibson treasurer. Clarence Huston pianist. Patsy Lou Lord, stamp collection chairman. Morris Wonder and George Henry Bish.

Supl Earl B. Driver, chairman of the Carey salvage committee, has appointed Mrs. Norman Zahn, Mrs. Harry Mapes, Vernon Huston and Earl F. Cline members of the committee.

Announcement is being made of the marriage of Miss Lucille Schumacher daughter of Mr. and Mrs. W. Green of Lovell, eastward, son of Mr. and Mrs. Frank Southward of Dequart.

The wedding ceremony was held Jan. 21, 1942, at the Carey Methodist parsonage. Rev. Donald W. Cramer officiated. The bride, Miss Schumacher, is the daughter of Mr. and Mrs. W. Green of Lovell, eastward.

Charleston Holds Three Game Lead Over Erie, Pa.
By The Associated Press

CHARLESTON, W. Va., July 28.—Don Byrnes posted his 12th victory for the Charleston Senators last night allowing Canton to drop to 3-0, the Carey Methodist parsonage. Rev. Donald W. Cramer officiated. The bride, Miss Schumacher, is the daughter of Mr. and Mrs. W. Green of Lovell, eastward.

This Bayless kept the Mid-Atlantic league leaders two game ahead of second-place Erie, which knocked off Zanesville 5 to 4 on a ninth inning home run by Don Byrnes. Bayless added another in the fifth to defeat Springfield, 7 to 3.

NELSON WINS TAM OPEN GOLF

Byron Nelson, left, snapped back to his usual golfing stride to whip up a sub-par 33-34-67 to defeat Clayton Heafner, right, in a playoff for the Tam O'Shanter Open title at Chicago. At the end of the scheduled 72 holes of play, the two golfers were tied with 280 totals. Nelson's first prize money was \$2,500. Heafner won \$1,750, after carding a 71 on the playoff. The two are shown at the end of scheduled play in the meet.

CLEVELAND INDIANS DROP 8-5 DECISION TO BOSTON RED SOX

Three-Pun Ninth Inning Rally Gives Boys from Beantown Win Over Tribe.

By The Associated Press

ALBANY, N. Y.—Cleveland Indians dropped an 8-5 decision to Boston Red Sox today.

The Indians and falter every time they are led to the first place of the American League. They were full of fury.

Series was at stake yesterday as they opened a four-game series with the Cleveland Indians.

The Boston approach the day in a 10-0 victory.

Manager Joe Cronin shook up his batting order, moving Ted Williams to the third spot, installing Merrill in the cleanup slot, and opening with his ace pitcher, Cy Young.

These maneuvers did not seem to have much bearing on the game—Boston won 8-5.

The Red Sox made 11 hits, two of them triples, three of them doubles and all of them timely. They never made a hit in an inning without scoring.

They got ahead of all Malar in the early and polished off the performance with three runs in the sixth off their old teammate, Joe Malar, who walked two men ahead of a triple by Johnny Peery, who then came home on a single by Williams.

That was the only game in the main league that escaped a ruc weatherman.

boles of play, the two golfers were tied with 280 totals. Nelson's first prize money was \$2,500. Heafner won \$1,750, after carding a 71 on the playoff. The two are shown at the end of scheduled play in the meet.

HERE THURSDAY

Flash Clifton, who will appear Thursday night at the Armory arena against Martino Angelo in a one-hour semi-final bout. Clifton formerly was a trainer with the Clyde Beatty animal shows. This will be his first performance here in several months. Rufus Jones of New York City and Joe Ferraro of Boston will battle in the two-hour main event in the 30-minute preliminary attraction slated to start at 8:30. Leo Jensen and Sam Olsen, two of Promoter Les Fishbaugh's meanest hombres, will tangle.

STONE SPAWNING DEVICES

Stone slabs may be used in making excellent minnow spawning devices, according to the Ohio division of conservation and natural resources fish management authorities.

During the past two years quantities of these slabs have been furnished to the division by the Weller brothers stone quarry. McDermott and these devices were placed at Pine lake and Caldwell in Ross county and Pike lake and Lake White in Scioto county.

John Z. Polton, fish management agent in District 7, reports these spawning devices have increased the minnow population fish food in these four lakes and it is hoped that the plan may be extended to other lakes in southern Ohio, particularly those in Scioto county.

NEW LAKE OPENED NEAR ZANESVILLE
The soil conservation service lake, north of Zanesville was opened to public fishing for the first time on June 18. Considering muddy waters the fishing was good. The lake will be open to fishers every Thursday.

Total number of fishermen at the lake on the opening day 275 and they caught 690 fish. Average time spent fishing by fisherman was three hours, 54 minutes. The average fisherman 3.5 fish. Fish caught included black bullheads, bluegills, black crappies and largemouth bass.

Players at Galion Select Production
Special to The Star

GALION, July 28.—"Life With Father" was selected by members of the Galion Community Players' as their fall play production when they held their regular meeting at Hotel Talcott Monday night.

The play will be given in the early fall and the cast will be partially selected at the next meeting.

Four new members were introduced at last night's meeting. They were: Bobby Ramsey, Lila Goodman, and Barbara Holmes. All club members joined in presenting impromptu sketches during the program. Fred Stau and Don Richardson, of the financial committee gave a favorable report on the recent dance held by the club.

MRS. MARY DRUM DIES
MARYSVILLE, July 28.—Mrs. Mary E. Drum, 68, died at the home of her son, B. M. Drum of Marysville route 2, Monday following an illness of 19 months. Funeral will be held at the son's home Wednesday afternoon with burial in Buxton cemetery in charge of William Winter of Raymond.

DIES AT MCGUFFEY
KENTON, July 28.—Mrs. Roy Fry, 43, of McGuffey, died in Kenton hospital Sunday after illness of 10 months. Funeral will be held at the McGuffey church of Christ with burial in Freeston cemetery.

SCHOOLS TO TACKLE JOB OF TOUGHENING NATION'S YOUNG MEN

High Schools, Colleges To Overcome Softness.

By The Associated Press

CINCINNATI, July 28.—American schools are helping the nation's boys and young men. Colleges will do the job of a broad war-time athletic program, said four conference commissioners meeting here today to discuss war's effects on education.

They expect high schools to strengthen physical programs. War uncovered a need for "hardening" program and the commissioners pointed out the need for stressing combative, personal athletics like football, wrestling and boxing.

"It took a war to show us soft men were," said James W. St. Clair, Southern conference head.

Said Robert E. Peters, Big Ten commissioner, "Give boys a program of physical fitness and the lozenges can toughen them up."

St. Clair and Peters recall that many colleges already revamped athletic programs to include all male undergraduates instead of only freshmen sophomores—to take five to six hours of intensive physical training weekly. Others are to follow suit and grade students for physical fitness on a par with academic subjects.

And instead of de-emphasizing football, it will be stressed more, as a beneficial combat sport.

STONE SPAWNING DEVICES

Stone slabs may be used in making excellent minnow spawning devices, according to the Ohio division of conservation and natural resources fish management authorities.

During the past two years quantities of these slabs have been furnished to the division by the Weller brothers stone quarry. McDermott and these devices were placed at Pine lake and Caldwell in Ross county and Pike lake and Lake White in Scioto county.

John Z. Polton, fish management agent in District 7, reports these spawning devices have increased the minnow population fish food in these four lakes and it is hoped that the plan may be extended to other lakes in southern Ohio, particularly those in Scioto county.

NEW LAKE OPENED NEAR ZANESVILLE
The soil conservation service lake, north of Zanesville was opened to public fishing for the first time on June 18. Considering muddy waters the fishing was good. The lake will be open to fishers every Thursday.

Total number of fishermen at the lake on the opening day 275 and they caught 690 fish. Average time spent fishing by fisherman was three hours, 54 minutes. The average fisherman 3.5 fish. Fish caught included black bullheads, bluegills, black crappies and largemouth bass.

Players at Galion Select Production
Special to The Star

GALION, July 28.—"Life With Father" was selected by members of the Galion Community Players' as their fall play production when they held their regular meeting at Hotel Talcott Monday night.

The play will be given in the early fall and the cast will be partially selected at the next meeting.

Four new members were introduced at last night's meeting. They were: Bobby Ramsey, Lila Goodman, and Barbara Holmes. All club members joined in presenting impromptu sketches during the program. Fred Stau and Don Richardson, of the financial committee gave a favorable report on the recent dance held by the club.

MRS. MARY DRUM DIES
MARYSVILLE, July 28.—Mrs. Mary E. Drum, 68, died at the home of her son, B. M. Drum of Marysville route 2, Monday following an illness of 19 months. Funeral will be held at the son's home Wednesday afternoon with burial in Buxton cemetery in charge of William Winter of Raymond.

Marion County's 92nd Annual Fair To Be \$15,000 Event, Biggest in Years; Horse Show New Feature

A \$15,000 show—larger by a substantial margin than any other in the recent history of the county—is rapidly being lined up for the ninety-second annual Marion county fair, Sept. 1-4.

The exposition this year has several claims to distinction. It will feature the first horse show in the history of Marion county, a two-night event offering \$1,245 in prize money that is expected to attract 150 entries from Ohio and nearby states.

It will boast a \$3,900 harness race program, the biggest in many years, headlined by two \$1,000 events. Race enthusiasts expect this program to attract entries from many states and give Marion a harness program approaching Grand Circuit quality.

It will be held during the week usually reserved for the Ohio State fair, Marion fair officials having changed to the Sept. 1-4 dates after announcement that there would be no state fair this year. The favorable date is expected to boost the fair in many ways, in points of attendance, exhibits and race entries.

Other Features

All of these new advantages are backed up by features that have proven their worth in past years. There will again be a big-scale junior fair in which hundreds of boys and girls throughout the county will display their handiwork and compete for awards. The Renfro Valley barn dance troupe will come for the Friday night dancing session of the fair. The Gus Sun agency of Springfield, which has furnished many of the other night fair features in the past, will provide a circus for the Thursday night program.

Fair officials are getting ready to start taking entries Aug. 27 at the fair board office at 115 1/2 South Main street. Paul D. Michel, secretary, and assistants will be on the job from 9 a. m. to 5 p. m. daily until the closing day Aug. 29, which will be the opening day of the fair. Entries will be taken on the final night until 9 p. m.

Admissions Begin Tuesday

This year, as last, fair officials will begin collecting admission charges at noon on Tuesday, the opening day of the fair. Gates will open daily at 6:30 a. m. until Tuesday afternoon, but growing interest in Tuesday activities plus the fact that Tuesday night fair features are being planned led to the change.

The fair board this year has three new members, all of whom have been assigned to specific duties in connection with the fair. They are E. H. Fetter of Marion, a former member of the board, O. E. Barks of Marion township and J. F. Dietsch of Richland township. Mr. Fetter has been assigned to the executive committee, Mr. Barks is co-superintendent of the junior fair with Fred Baldinger of Tully township, and Mr. Dietsch is superintendent of the poultry department.

Heading the fair board organization this year is Charles Philbrook of Marion. Other officers are W. M. Rhoads, vice president; Paul D. Michel, secretary; and L. H. Williams, treasurer. On the executive board with Mr. Fetter are S. P. Lauer and C. S. Dutton.

New Secretary

Mr. Michel was recently elected fair secretary to succeed William K. Davis, now in military service.

The ever-growing junior fair is again expected to take up a sizable portion of the exhibit space this year. This department embraces the exhibits of 4-H club members, vocational agriculture students, home economics students and junior granges, and the premium list is again expected to pass the \$1,000 mark.

The junior fair will largely run its own show, having set up a junior fair board with its own officers and chairman. Heading the officers is John R. Weir of Martel. Paul Smith of Wakle is vice president and Marjorie Cook of Pleasant township is secretary. These and other junior fair board members will work with Fred Baldinger and O. E. Barks who have been assigned co-superintendents of the junior fair on the senior board.

Grounds in Condition
Improvements made over the past few years have placed the fairgrounds in such condition that no major repairs or changes in buildings will be necessary, officials said. Routine upkeep and maintenance work is under way, but will not involve any major changes.

The fair will again benefit from two changes made at the grandstand before last year's fair. One was the replacement of the former starter's and judges' platform with a new one in the centerfield. The old platform between the grandstand and the track was removed to give spectators better vision in following the finish of races. The other improvement was the construction of a portable race track which, in use, rests on the race track and brings right fair shows nearer the spectators. Such shows in the past had to present their programs on platforms in the centerfield, with the width of the race track between them and the spectators.

Present plans don't call for any big changes in the layout of the grounds. The midway of concessions is expected to locate northwest of the grandstand, and southwest of the stand will be the farm machinery exhibit.

Officials again plan to provide benches for approximately 100 persons in a shady spot near the stand, and a vegetable display building to provide rest for women and children made weary by visiting all of the exhibit buildings.

U. S. Cites Way To Relieve Transportation Situation.
The United States department of agriculture leaders recently sent out a call asking farmers to use local wood as fuel to relieve the transportation situation. They are of the opinion that in the northeastern, south and north central states the use of local wood can solve the fuel problem and relieve transportation.

They state that wood fuel, although more bulky and not as effective weight for weight, as coal, makes a very satisfactory heating material. To give maximum results, wood should be well seasoned and thoroughly air dried. It will then contain about 15 to 20 percent moisture. In heating value, one ton of wood is equivalent to a ton of anthracite coal and a cord of the heaviest woods weigh about two tons.

Fuel wood requires from six months to a year to season properly. Because of this they suggest that next winter's supply be cut not later than this summer.

Highway signboards to warn motorists if their speed in excessive near dangerous points invented by a Minnesota man are operated either by magnetic or photoelectric coils by auto-tracking cars.

Highlights Of Fair Program

TUESDAY, SEPT. 1
12 noon—Admission charge begins.
8 p. m.—Horse show.

WEDNESDAY, SEPT. 2
6:30 a. m.—Gates open.
10 a. m.—Judging begins in some departments.
1 p. m.—Harness races.
8 p. m.—Horse show.

THURSDAY, SEPT. 3
6:30 a. m.—Gates open.
10 a. m.—Final judging begins.
1 p. m.—Harness races.
8 p. m.—Gus Sun Circus.

FRIDAY, SEPT. 4
6:30 a. m.—Gates open.
1 p. m.—Harness races.
7:30 p. m.—Renfro Valley barn dance program.

CONSTITUTION

(Continued from Page 22)

ected that Awarding Committee will report promptly at the office on the grounds at 9 o'clock on the second day of the fair, when names will be called and the vacancies filled, and they will enter upon their duties and they will report their awards to the Superintendent in charge as early as possible after making the same.

RULE 8. A notice of protest in the awarding committee must be given to the Secretary before the closing of the fair, who will enter the name on his book and then the protest must be presented in writing, and under affidavit to gather with other affidavits substantiating the cause of complaint within twenty days after the closing of the fair, and the President shall appoint a committee of three to investigate all protests, who shall report their findings to the Board of Executive Committee as directed by the President.

RULE 9. Passes will be issued to all bona fide exhibitors in the Junior Fair except group exhibits. Five passes will be given to each school group exhibit and two passes to each juvenile grange and 4-H club exhibit. These passes must be used before the name of the owner is written in ink and be carried by the owner at all times. Passes are not transferable. Any of these passes found in possession of any person other than the owner will be taken up by the gateman.

RULE 10. No stock or other articles entered for premiums shall be removed before 6 P. M. on the last day of the fair without written permission of the President. Any violation of this rule will be a forfeiture of all premium money won by such violators.

RULE 11. Every species of animal entered for a premium in the Junior Fair, whether on the grounds during the annual fair, the sale of intoxicating liquors will not be permitted on the grounds nor within the distance prohibited by law. Parties violating this law must expect to be prosecuted.

RULE 12. No intoxicated or other improper or disorderly person will be permitted to remain on the grounds and it is hereby the duty of the fair board and special constables to arrest on view all such persons and take them before the proper officers to be dealt with according to law.

RULE 13. If any disrespect is shown to an award or the awarding judge by an exhibitor, or his agent, he or she shall forfeit all awards made during the fair to the Society and the Superintendent shall report the same to the Secretary upon return of the Class Books, which will be received only from him and make any explanation necessary.

RULE 14. No person except the Awarding Committee on duty and the officers of the Association will be allowed in the arena while the

awards are being made.

RULE 15. No horses, wagons, buggies, or other vehicles will be allowed to remain in the grove or on the grounds west of the driving park.

RULE 16. All horses, cattle, mules and halter-broke stock shall be exhibited to the judges on the first and second days of the fair, and all remaining stock shall be exhibited on the third day of the fair.

RULE 17. All drays, trucks or delivery wagons delivering articles on the grounds shall pay the sum of one dollar. On payment of this amount, a permit will be issued by the Secretary, giving permission for such drays, trucks or delivery wagons to enter the grounds at any time of the day during the fair for the delivery of articles.

RULE 18. In case the proceeds of the fair, after paying incidental expenses, shall be insufficient to pay the full amount of premiums which may be awarded, the same shall be paid pro rata among the successful competitors to whom any premium may be awarded.

RULE 19. The Board, whether exhibition of any article, whether

lend every courtesy possible.

RULE 20. PHYSICS OF ADMINISTRATION. The payment of \$1.00 constitutes any person a member of the Society, which entitles that member to six admission tickets.

All persons over sixteen years of age may become members and are entitled to vote at the annual election, providing they secure membership tickets. Single admission tickets 25 cents. Children ten years old and under, accompanied by their parents or guardians, free. The above rules will not be deviated from. All persons, therefore, govern themselves accordingly.

RULE 21. There shall be a charge of \$1.00 per front-foot for space in the Art Hall to advertise making an exhibit therein. Exhibitors seeking premiums who exhibit in the Art Hall to pay no charge, but are to occupy such space in such location as assigned to them. Rule 22. Entries for the Marion County Fair shall be opened to any county in the State of Ohio that is open to Marion County.

RULE 23. Race horses and their track must not be loaned so that lease will lap over into the following year's administration.

Swine

Department No. 4

ENTRIES CLOSE SATURDAY, AUG. 29th, 9 P. M.

H. L. BEAVER

Superintendent

To be shown Wednesday.

Do not make entries in championship classes.

Age of all animals shall be reckoned from August 1st.

A Senior Yearling is one farrowed between Sept. 1st, 1946, and March 1st, 1947.

A Junior Yearling is one farrowed between March 1st 1947, and Sept. 1st, 1947.

A Senior Pig is one farrowed between Sept. 1st, 1946, and March 1st, 1947.

A Junior Pig is one farrowed between March 1st, 1947, and Sept. 1st, 1947.

All animals must be recorded regardless of age and appear in the name of the owner on the books of the respective associations.

Get of sire shall consist of four swine, any age, the produce of one sow.

Produce of dam shall consist of four swine, any age, the produce of one sow.

Aged herd shall consist of one boar and three sows over one year old, owned by the exhibitor. Young herd shall consist of one boar and three sows under one year old, bred by exhibitor.

Marion's First Horse Show To Be New Fair Feature

Two-Night Event Expected To Draw 150 Entries To Compete for Prizes Totalling \$1,500.

The first horse show in the history of Marion county will be staged in connection with night programs of the 32nd annual Marion county fair, Sept. 1-4.

After considering the possibility of such a show for several years, fair board members this year decided to stage such an event, and already they have been assured of wholehearted cooperation from many quarters.

Horse fanciers from Ohio and neighboring states have indicated they will send entries to the show, scheduled for Tuesday and Wednesday nights of fair week. Awards totaling \$1,500 will be offered.

Hospital Benefit

The Woman's Hospital Board will assist by staging a ticket-selling campaign. Their advance-

sale will be limited to \$1.50 tickets good for admission to grounds and grandstand on both of the two nights of the show, and the board will receive 50 cents from each sale for use in financing its many activities to support the Marion City hospital.

Two Marion men widely known horse fanciers are in charge of arrangements. They are Frank M. Foster, a member of the board, and Paul D. Michel, new fair secretary.

They anticipate 150 entries from all parts of Ohio and nearby states.

A series of events for five-gaited and three-gaited horses already have been arranged. The five gaits for entries in that division are walk, trot, slow gait, wrack and canter. Three-gaited

horses will be shown walking, trotting and cantering.

3-Gait Events

The list of five-gaited events includes the following: Model class—horses are shown in hand and judged primarily on conformation or shape, color and general appearance.

Stallions and geldings over four years.

Mares over four years.

Stallions, geldings and mares under four years.

Stallions, geldings and mares under three years.

Combination class for five-gaited, ridden and driven.

Five-gaited for women riders.

Stake event open to winners of all five-gaited classes.

3-Gait Events

The three-gaited events follow: Model class—Horses judged on conformation.

Stallions, geldings and mares under 15.2 hands.

Stallions, geldings and mares over 15.2 hands.

Combination class for stallions, geldings and mares ridden and driven.

Junior class—Under four years old.

Stake event open to winners of all three-gaited classes.

Harness Events

Another event will be a fine harness class including:

Stallions, geldings and mares three years or under in age, hitched to buggy only.

Four-year-olds and under.

Entries driven by ladies.

Stake event open to winners of harness classes.

In addition, there will be a class for ponies ridden by a boy or girl under 16 years of age, a miscellaneous or fancy dress event in which riders and drivers are in fancy dress and, where the entries are shown hitched, the vehicle is a surrey or other fancy vehicle.

The prizes will consist of three stake awards of \$205 each and award of \$35 each in each of the class contests.

An entrance fee of \$10 per horse will be required except for pony entries, for which there will be no charge.

Plans Take Shape For Marion Co. Junior Fair

Young People To Provide Complete Agricultural Show; Own Board Has \$1,000 Budget.

One of the bright spots of the 1942 Marion county fair will be its junior fair, a complete agricultural show within itself with hundreds of rural boys and girls in friendly competition for awards offered in a wide variety of events.

The junior fair draws most of its participants from four organized groups of farm youths—the 4-H club, vocational agriculture students in rural schools, home economics students in rural schools and the juvenile granges.

It's a little early yet for the groups to complete plans for their exhibits, but leaders said the four divisions will be well represented.

SAVING Your Grain is an Extra Wartime Service of the Improved HUBER HARVEST KING

Eliminates Waste
Increases Profits

The HUBER HARVEST KING COMBINE operates as easily as a binder and as thoroughly as a thrasher... and combines with an efficiency of both high and low speeds that is in keeping with the importance of today's increased farm production program.

Designed to smooth out dead furrows and rough ground... the Huber is just the combine to get the harvesting job done at the lowest possible cost, without delay or costly breakdowns. It's new... from the over-size grain bin to the improved power take-off. Be sure to see the Huber before you buy—investigate while it is available.

Manual Training

Department No. 8		
MANUAL TRAINING SCHOOL EXHIBIT		
F. W. BALDINGER O. E. BARKS Superintendents		
No Entry Fee		
OBJECT — To bring the boys of Marion and Marion County Manual Training Classes closer together and give them an opportunity to display their skill and workmanship.		
Marion City Schools—Classes of each school to compete with classes of all Marion City Schools.		
First Premium	\$6.00	
Second Premium	\$4.00	
Marion County Schools—Classes of each school to compete with classes of all County Schools.		
First Premium	\$6.00	
Second Premium	\$4.00	
1. All projects shall be made in the school year 1944-1945.		
2. No project shall be exhibited that has been bought ready for assembly.		
3. There shall be at least ten articles with not more than two of the same pattern and kind.		
4. Exhibit shall be judged on the following basis:		
25% originality and design		
25% general display		
50% workmanship including joining and finishing.		
The Fair Board will arrange space for the exhibit and the class will arrange for making the display.		
All articles displayed must be made by the student. They can not be articles assembled from material made by the teacher.		
The exhibit will be open to all manual training students, regardless of their grade in school. Two or more students from any one class are sufficient to represent the class in the exhibit. Officials announced.		
The procedure to be followed in judging the exhibit has not been determined.		
Cooperating with fair officials in planning the event are County School Superintendent D. W. Mills, City Supt. E. E. Holt and the various industrial arts teachers.		
USE OLD BUILDINGS FOR GRAIN STORAGES		
They Should Be Strong and Proof Against Rodents.		
Old houses, machine sheds, brooder and poultry houses, and various odd corners in farm buildings will be pressed into service for grain storage at harvest time, according to L. D. Mayer and C. H. Reed, Purdue university farm engineers. They base their prediction on a recent survey by AAA.		
According to the survey, more than half of the warehouse, elevator and other grain storage space off farms in Indiana was already filled. In addition, Indiana farmers are storing 70 per cent more corn than they were a year ago.		
Unoccupied and unused buildings may be converted into granaries or grain bins can be constructed in horse stalls, machine sheds and garages will serve as temporary grain storage, say Mayer and Reed.		
However, in using these buildings and building new bins, farmers must be certain that the storage is sufficiently strong to stand the weight of the grain. The foundations, floors and walls should be strong enough to stand the grain pressures. The building should protect the grain from rain, snow, condensation and other moisture. The walls of the bins should be tight and smooth to permit cleaning the bins and effective fumigation, and the buildings should be high enough to protect against damage from rodents and birds. Farm livestock and other livestock.

Our Air-Conditioned Funeral Home

It is doubtful if any installation of air-conditioning is more appreciated than when such equipment cools the atmosphere of a funeral home.

As a service to patrons, air-conditioning was installed in our Funeral Home several years ago. Those who have attended a service here during hot weather, can tell you what a comfort air-conditioning is to both family and friends.

Hughes Funeral Service is within the means of every family and our Funeral Home, with the Everett organ, is available to all patrons without extra charge.

Junior Fair Department Entry Lists

F. W. Baldinger
O. E. Backs
Superintendents
SPECIAL RULES COVERING
THE JUNIOR FAIR

Departments
1. The Marion County Junior Fair shall be divided into separate departments as follows:
a. Boys' and Girls' 4-H Clubs.
b. Vocational Agriculture.
c. Home Economics.
d. Juvenile Granges.

Eligibility
2. Any Marion county boy or girl, under 21 years of age on Sept. 1, 1942, and enrolled in one or more of the above mentioned departments is eligible to enter the Junior Fair.

3. All entries are subject to regulations of the department in which they are to be exhibited.

Entries
4. No entry fee is charged for entries in the Junior Fair.

5. Advance entries in all departments must be made in accordance with general rules listed under the department.

6. Exhibits in all departments must be reported to the secretary of the Junior Fair at the Junior Fair Headquarters immediately upon arrival at the fair grounds.

7. The rules of the Marion County Agricultural Society for sick or diseased stock to be entered.

8. When an individual enters in more than one department of the Junior Fair, an entirely different animal or article must be entered.

Exhibits
9. All Junior Fair exhibits, unless otherwise stated, must be in place by 6:00 p. m. the first day of the fair, Tuesday, Sept. 1st.

10. Each exhibitor is responsible for having his exhibit properly tagged as to department,

name of exhibitor, breed or variety.

11. Each exhibitor of livestock must be responsible for the care and feeding of his animals at all times. Feed, buckets, and troughs must be furnished by the exhibitor. Bedding and pens will be furnished by the Marion County Agricultural Society.

12. All crop exhibits must be in neat and attractive containers furnished by the exhibitor.

13. Any exhibit deemed unworthy of consideration shall be barred from showing and receiving an award.

14. Any exhibit removed before 5:00 p. m. Friday of the Fair Week will not be eligible for awards, unless released by the superintendent in charge of the Junior Fair.

15. Arrangements should be made to remove all exhibits before 5:00 p. m. Friday, Sept. 4th. Exhibits left after 5:00 p. m. are left at exhibitor's own risk.

Open Class Entries
16. Any exhibitor in the Junior Fair shall be eligible to exhibit in the open classes by making the proper open class entry as set forth in the rules and regulations of the Marion County Agricultural Society.

Passes
17. Passes will be furnished all bona fide exhibitors, visitors and helpers in the Junior Fair.

18. Passes must bear the name of the owner written in ink and must be carried at all times when on the fair grounds.

19. Passes to 4-H and Vocational Agriculture livestock exhibitors will be given to the exhibitor when the exhibit is checked in with the Junior Fair Secretary at the Fair Grounds. Other Junior Fair exhibitors will be given passes according to plans set up by the department in which the individual exhibits.

20. Passes are not transferable. A pass found in possession of an individual other than the person to whom it was issued, will be

taken and another free pass will not be issued.

Awards
21. \$1,000.00 is allotted to the Junior Fair for paying premium awards. Half of this is subject to any prorating to which other departments of the Marion County Fair might be subjected.

22. Premiums will be paid in accordance with the premium list set up for each department providing no prorating is necessary.

Marion County Agricultural Society Rules

23. Any circumstances arising which would govern the awarding of prizes will be governed according to the rules and regulations of the Marion County Agricultural Society.

DEPARTMENT D
JUVENILE GRANGE DISPLAYS
Mrs. E. A. Williams
Superintendent

GENERAL RULES
1. Entry in this department is open to each Juvenile Grange in Marion County.

2. Entry in this department should be made to Mrs. E. A. Williams, R. No. 4, Marion, O., not later than Saturday, Aug. 20th, 1942.

3. Exhibits should consist of work of the Juvenile Grange, either as a grange or as individuals. The exhibits may include outlines of Juvenile Grange programs, community service, or other activities of the Juvenile Grange displayed in such a way as to be of interest to the fair.

4. All exhibits must be made, produced or grown by members of the Juvenile Grange making the exhibit. The exhibit is to be presented by not less than four members of the Juvenile Grange assisted by the matron or assistant matron.

5. All exhibits should be in place by 6:00 p. m. Tuesday, Sept. 1st, and remaining in place until 5:00 p. m. Friday, Sept. 4th.

6. All exhibits will be judged on the following basis:
General Appearance..... 20
Material..... 40
Effectiveness..... 30

MARION COUNTY JUNIOR FAIR
September, 1942

RULES AND REGULATIONS
1. All exhibits must be from projects regularly elected and conducted in the current school year 1941-1942 by the exhibitor.

2. Each exhibit must be accompanied by the Vocational Agriculture Project Record Book representing the project covering each class exhibited in by the exhibitor. This book should be complete and up to date as of Aug. 1, 1942 and its condition and completeness vouches for by the Vocational Agriculture Instructor.

3. No exhibitor will be allowed more than two entries in any class.

4. Special award for transportation in Livestock Classes. Exhibitors not placing in the 1st, 2nd, 3rd, 4th or 5th money's will be allowed transportation expenses not to exceed \$1.00 per head for cattle, \$0.50 per head for hogs and sheep, 25c per pen for poultry. Prorating will take place on the special award for transportation

(Turn to JUNIOR FAIR, Page 20)

Four big nights of entertainment, the most elaborate ever programmed for a Marion county fair, have been booked for the 1942 exposition.

Large shows, details of which will appear elsewhere in the special section, will be staged Tuesday and Wednesday nights.

Thursday night there will be a circus and on Friday night the Renfro Valley Barn dance troupe, known to radio listeners and theatergoers throughout the state, will provide the entertainment.

"A Night at the Circus" on Thursday night's bill will offer something new to Marion county fair patrons. It is an all-variety unit, especially designed as an outdoor attraction.

The Bento Bros. & Rita will feature a three-high aerial act, head-to-head stands and balancing feats.

Earl Wright's "Wonder Dogs" is unusual in its field, forsakes routine tricks and situations to demonstrate canine intelligence developed by human patience.

Wright's act features a whole line of backward somersaulting dogs. One of his charges, Skippy, is a comedian. Wright also does a comedy act and performs one of the highest table rocking acts now on the road. It is a standard comedy number which he has headlined on circuses for many years.

The Merrill Brothers and Sisters have toured the United States, Canada, Cuba and the Isles of the West Indies with their equilibristic act. Shrine circuses, indoor events, celebrations, parks and fairs have presented the troupe. Colorful costumes and settings enhance the act.

Between seasons the Merrills go to Lakeland, Fla., where they have a home. Aside from ranking as a top-notch performer and equilibrist, the senior Merrill is an enthusiastic horticulturist. His grove contains oranges, grapefruit, lemons and limes.

Floyd Bernard is manager of the Merrills.

1942 County Fair Year Starts with Balance of \$626 in Treasury

The Marion county fair board started plans for its big 1942 show with bills paid and a balance of \$629.94 in the treasury, fair records show.

One of the things that enabled the fair to go over the top in its show last year was the fact that receipts totaling \$14,332.60 in 1941 were \$1,711.51.

A financial picture of the operation of a fair is presented by the fair board's financial statement for last year, listing the receipts and expenditures.

A detailed list of receipts follows:
Miscellaneous, \$570.35; membership fees, \$399; privilege fees, \$2,253.95; class entry fees, \$303.60; speed fees, \$1,292; stall and pen rent, \$146; space fees, \$152; gate admissions, day, \$1,823.75; gate admissions, nights, \$1,732.25;

Expenditures are listed as follows: miscellaneous, \$251.72; class premiums, \$1,003.85; speed purses \$4,300; Junior 4-H club premiums, \$1,188.30; labor, \$619.35; newspaper advertising, \$143.80; general advertising, \$627.08; printing, stationery and supplies, \$363.54; police and watchmen, \$191.59; judges, \$219.55; tickets sellers and takers, \$258.11; special attractions, \$1,648.87; music, \$85; salary of secretary, \$450; salary of treasurer, \$100; expense of members, directors and superin-

"Let me tell you"

It Takes
GOOD CARE

To Raise
 Prize Winners

— and it also takes Good Care to get longer wear and better appearance in Summer clothes!

Sanitone Cleaning adds to the life of any garment and by removing all perspiration, grease and other fabric-destroying substances—but the amazing transformation in appearance, alone, is well worth the reasonable cost of Sanitone service.

"Sanitone" Dry Cleaning

This nationally-famous cleaning process will thoroughly clean and renew your garments far beyond your fondest expectations. Protect your winter clothes.

For economical and sure protection let us SANITONE your garments and seal them in mothproof bags before they are stored for the summer.

Perfect Laundry Service

Resolve now to take a rest from washing this summer. Our service will satisfy even the discriminating in every respect. And the cost is surprisingly low.

A phone call will give you any information you desire without any obligation.

Department No. 3
ENTRIES CLOSE SATURDAY
AUG. 29th, 9 P. M.

Entries open to countries that are open to us.

Do not make entries in championship classes.

After conference with representatives of all sheep breed associations

of Ohio, relative to quarantine of flocks infected with Symptomatic Malignant (barn itch), the following regulation was adopted as applicable to County and Independent fairs.

Regulation
 "All entries from flocks known to have been affected with or exposed to any contagious or infectious disease within the past year shall be accompanied by a certificate

The management further reserves the right to take any additional measures prior to accepting entries to insure or during the fair that may be deemed necessary to protect the health of sheep shown at the fair.

The judges shall take into consideration the time and manner of shearing.

In all sheep classes an exhibitor's flock shall consist of one ram, 1 year old and over; one ewe, 1 year old and over; one yearling ram, 1 year old and under 2; and 1 ewe under 1 year old.

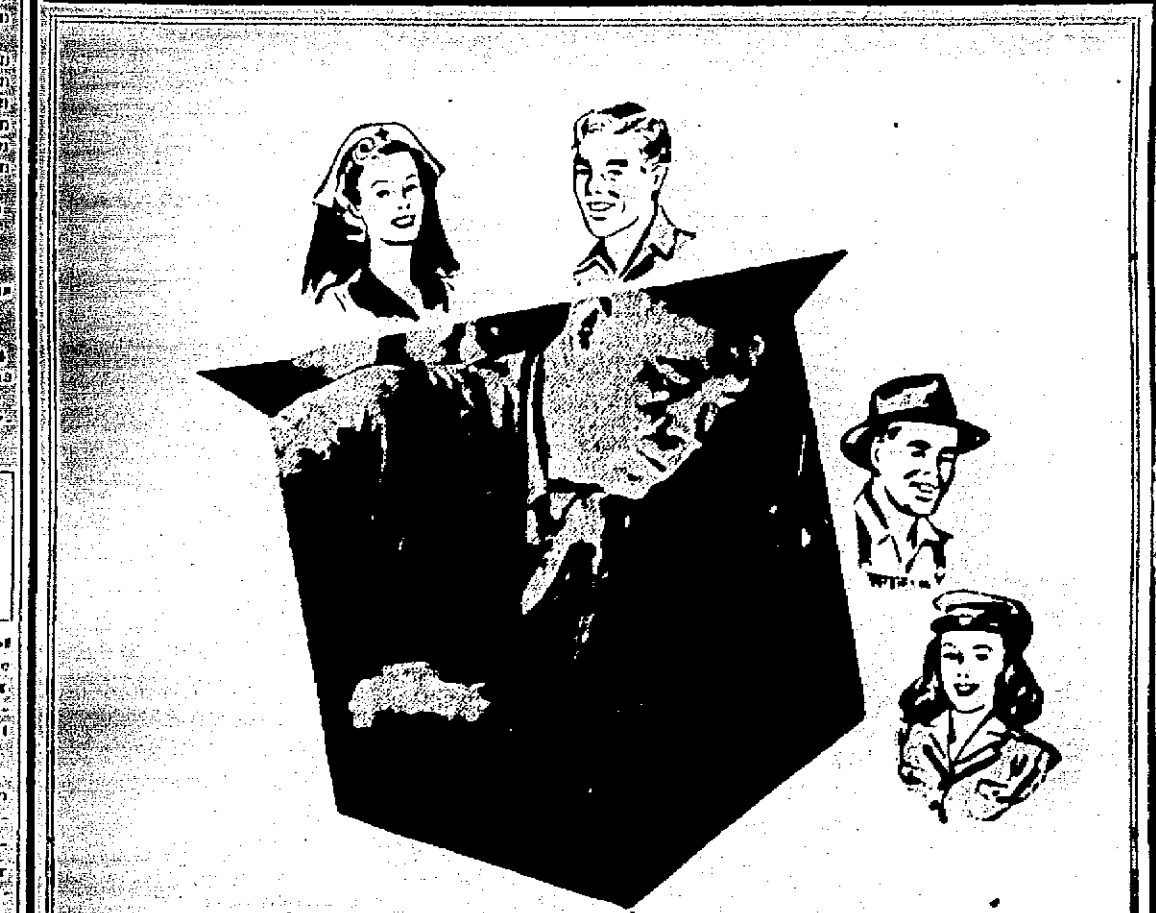

A Breeder's Young Flock shall consist of one yearling ram, two yearling ewes and two ewe lambs, owned and bred by the exhibitor.

A pen shall consist of four lambs, first by exhibitor, weaned within the year shown.

A pen of two yearling rams and two yearling ewes must be the get

of one ram, first and second by the exhibitor.
 Aged rams and ewes must be two years old or over; yearlings, one year old and under two; and lambs under one year old.

Money-
 To Keep 'Em on the Job

It's going to cost a lot to win this war, but Victory is a million times cheaper than defeat. To find the billions needed for Victory, every American must do his share by buying U. S. War Bonds and Stamps to the very limit. If every American bought one \$18.75 Bond today, \$11,487,500,000.00 worth of guns, tanks, planes and ships could be paid for tomorrow! A small price to pay for such a big reward. More—U. S. War Bonds have behind them the tremendous resources of this country. Your money will come back with interest—as much as \$4 for every \$3—when bonds are held to maturity. Our America is now—as it has always been—the best investment in the world. Buy your share of Victory!

Your Savings here are put to work immediately for Victory loans to war industries . . . to farmers in the "Food for Freedom" program . . . to subscribe to War Bond issues. Start a savings account today! Protect your future, and keep men and machines on the job for Uncle Sam . . . for Victory.

Food for FREEDOM, eh? *O.K. Buddy!*

**"God grants Liberty only to those
who Love it, and are always ready
to guard and defend it"**

LIBERTY is something that we give too little thought to. We're apt to take liberty for granted. We often forget that the privilege of reading, writing, saying, thinking and living as we like is a God-given right—one that is incalculably valuable—one that we should love and be always ready to guard and defend.

Every American can do his or her share by guarding their health, for the health of a nation, its being physically fit and mentally alert has won many a battle for freedom without a shot being fired. Keep your health, build your health, keep your mind clear and you are well along the way in guarding the freedom that is yours as only an American knows it.

THE FARMERS of America were called upon to produce Food for Freedom . . . and they responded by harnessing all their effort, land, and equipment on an all-out war basis! They turned their land, and fed their cattle, livestock, poultry, to produce more food than ever before. Now it is harvest time, and the results of their efforts are ready to be gathered in . . . shipped and distributed, to serve the civilian needs of the entire land: to be transported to feed our fighting forces: to be passed among our good Allies. Vegetables and fruits, firm and nutritious — some to be used raw, some to be packed in glass, some to be dried. Meats too — to be eaten fresh, smoked and dehydrated. Eggs, butter and milk products. All of these comprise the Food for Freedom, for which the fighters for freedom must now give thanks to the American farmer and his harvest
